

Join **@RTIfightsNTDs** for a Twitter chat to discuss how disease elimination impacts other **#globaldev** efforts & how we can leverage partnerships with other development sectors to improve outcomes

Join the **#BeyondSilos** Twitter chat on **Tuesday November 7 from 3-4PM ET**.

Ask questions and share your experience!

MONDAY / NOVEMBER 6

8:00 – 9:45 AM

Convention Center — Room 339/340 (Level 300)

SESSION 12: INTEGRATED CONTROL MEASURES FOR NEGLECTED TROPICAL DISEASES

9:30 – 9:45 AM

Convention Center — Room 339/340 (Level 300)

42 - Adding Onchocerciasis Monitoring to Lymphatic Filariasis Transmission Assessment Surveys: The Tanzania Experience

Upendo Mwingira, Maria Chikawe, Cecilia Uisso, Boniphace Idindili, Sarah Craciunoiu, **Delali Bonuedi**, **Kathryn Crowley**, Darin Evans, Andreas Nshala

10:15 – 12:00 PM

Convention Center — Room 341/342 (Level 300)

SESSION 26 - GLOBAL HEALTH: BURDEN, EPIDEMIOLOGY AND PREVENTION OF FEBRILE ILLNESS AND MALARIA

Symposium Chairs: Hannah Koenker, JHUCCP; **Richard Reithinger**, RTI International

12:00 – 1:45 PM

Convention Center — Hall F and G (Level 100)

POSTER SESSION A: PRESENTATIONS AND LIGHT LUNCH

Poster 324 - A Case for Investment in Thailand's Malaria Elimination Program: a Cost-benefit Analysis Study

Prayuth Sudathip, Suravadee Kitchakarn, **Surasak Sawang**, **Jeffrey Sine**, **Richard Reithinger**, **Rachel Stelmach**, **Giada Chitto**, David Sintasath, Pratin Dharmarak, Jittinee Khienvichit, **Darin Kongkasuriyachai**

Poster 549 - Strengthening the Supply Chain for Neglected Tropical Disease Preventive Chemotherapy and Transmission Control Medicines in Tanzania

Frank Komakoma, Fay Venegas, William Reuben, Maria Chikawe, Andreas Nshala, Boniphace Idindili, Sarah Craciunoiu, **Delali Bonuedi**, **Jeremiah Ngondi**, Upendo Mwingira

Poster 550 - Supportive Supervision for Mass Drug Administration in Tanzania

Isaac Njau, Andrea Nshala, Edward Kirumbi, Abdallah Ngenya, Boniphace Idindili, Maria Chikawe, Lynsey Blair, Frank Komakoma, **Jeremiah Ngondi**, Upendo Mwingira

12:00 – 1:45 PM

Convention Center — Hall F and G (Level 100)

Poster LB-5085 - Insecticide Resistance Monitoring and Susceptibility of Malaria Vectors Over the Past 10 Years in Zanzibar

Khamis A. Haji, Bakari O. Khatib, Juma H. Mcha, Abdulah S. Ali, Naomi K. Kasper, George G. Greer, Stephen Magesa, **Jeremiah M. Ngondi**, Gregor J. Devine, John Morgan, Silas M. Majambere

1:45 – 3:30 PM

Convention Center — Room 331/332 (Level 300)

SESSION 40: FILARIASIS: EPIDEMIOLOGY AND CONTROL II

3:00 – 3:15 PM

Convention Center — Room 331/332 (Level 300)

630 - Lymphatic Filariasis Transmission Variation within an Implementation Unit – The Case of the Limbe Commune in the North Department of Haiti

Alain Javel, Carl Renand Fayette, Franck Monestime, Cudjoe Bennett, Sarah Craciunoiu, **Abdel Direny**, Kim Won, Caitlin Worrell, Katherine Gass, Jean-Frantz Lemoine

TUESDAY / NOVEMBER 7

8:00 – 9:45 AM

Convention Center — Room 331/332 (Level 300)

SESSION 68: BACTERIOLOGY: TRACHOMA

9:30 – 9:45 AM

Convention Center — Room 331/332 (Level 300)

732 - The Trachoma End-game in Vietnam: Surveying Trachoma Hotspots in Hà Giang Province

Tran Minh Dat, Nguyen Xuan Hiep, **Jeremiah Ngondi**, Ngoc Nguyen Viet My, Long Nguyen Tien, **Joshua Sidwell**, **Molly Brady**, Rob Henry, Aryc Mosher, **Lisa Rotondo**, Anthony Solomon

12:00 – 1:45 PM

Convention Center — Hall F and G (Level 100)

POSTER SESSION B: PRESENTATIONS AND LIGHT LUNCH

Poster 922 - Using SMS to Remind Pregnant Women of Antenatal Appointments in Guinea

Rebecca Flueckiger, Rajeev Colaco, **Molly Chen**, Patrick Condo, Timothee Guilavogui, **Aissata Fofana**, **Thierone Mamadou Bhoie Diallo**, Richard Reithinger

Poster LB-5286 - A Cost Analysis of Mosquito Control Programs in the Continental US

Elizabeth M. Ohadi, Rachel D. Stelmach, Richard Reithinger

WEDNESDAY / NOVEMBER 8

12:00 – 1:45 PM

Convention Center — Hall F and G (Level 100)

POSTER SESSION C: PRESENTATIONS AND LIGHT LUNCH

Poster 1709 – Using SMS to Report Stock-outs of Anti-malaria Medicine and Bed Nets in Guinea

Rebecca Flueckiger, Rajeev Colaco, Molly Chen, Patrick Condo, Timothee Guilavogui, Thierone Mamadou Bhoie Diallo, Carly Olineck, Aissata Fofana, Richard Reithinger

Poster 1765 – Providing Trachomatous Trichiasis Surgical Services in Rural Tanzania

Alistidia S. Wenfurebe, Jeremiah Ngondi, Joseph Sambali, Edward Kirumbi, Upendo Mwingira, Jennifer Harding, Riziki Ponsiano

Poster 1768 – The Changing Face of Trachoma Control in Tanzania: Results from the 2016 Trachoma Impact Surveys

Edward Kirumbi, Jeremiah Ngondi, Mathias Kamugisha, Alistidia Simon, Andreas Nshala, Upendo Mwingira

Poster 1767 – Trachoma Endgame in Tanzania: Temporal-spatial Analysis of Clustering of Trachomatous Inflammation Follicular (TF) in Districts with Persistent TF Following Mass Drug Administration with Azithromycin

George Kabona, Upendo Mwingira, Edward Kirumbi, Andreas Nshala, Boniphace Idindili, Delali Bonuedi, Aryc Mosher, Lisa Rotondo, Jeremiah Ngondi

Poster 1769 – Improving Trachoma Mass Drug Administration Uptake Among Nomadic and Pastoralist Communities of Rural Tanzania

Alistidia Simon, Upendo Mwingira, Jeremiah Ngondi, Juliana John, Boniphace Idindili, Said Makora

Poster 1804 – Stopping Ivermectin Distribution in Onchocerciasis and Lymphatic Filariasis Co-Endemic Foci. What is the Way Forward?

Andreas Nshala, Maria Chikawe, Cecilia Cecilia Uisso, Oscar Kaitaba, Sarah Craciunoiu, Kathryn Crowley, Delali Bonuedi, Darin Evans, William Kisoka, Mathias Kamugisha, Upendo Mwingira

Poster 1807 – Lessons Learned from implementing Lymphatic Filariasis Transmission Assessment Surveys in the Fire Belt of North Department in Haiti

Carl Renand Fayette, Franck Monestime, Alain Javel, Luula Mariano, Ellen Knowles, Sarah Craciunoiu, Cudjoe Bennett, Abdel Direny, Jean-Frantz Lemoine

Poster LB-5445 – Economic Analyses of Vector Control for Aedes Mosquitoes: A Systematic Review

Rachel D. Stelmach, Elizabeth M. Ohadi, Richard Reithinger

Poster LB-5448 – Progress of Nepal towards Elimination of Lymphatic Filariasis by 2020: Challenges in Reaching the Endgame

Bhim Acharya, Pradip Rimal, Sudip Khatiwada, Achut Ojha, Dharmpal Raman, Delali Bonuedi, Michael French, Kalpana Bhandari

12:00 – 1:45 PM

Convention Center — Hall F and G (Level 100)

Poster LB-5455 - Community Focused Advocacy Activities from Nepal – Addressing Low Compliance of Lymphatic Filariasis Mass Drug Administration in Special Population Groups

Sudip Khatiwada, Achut Ojha, **Dharmpal Raman**, Pradip Rimal, Bhim Acharya, **Delali Bonuedi**, **Michael French**, **Kalpana Bhandari**

Poster LB-5459 - Lymphatic Filariasis Transmission Assessment Survey (TAS) II Failure in Bara District of Nepal: Important Programmatic Insights

Achut Ojha, Sudip R. Khatiwada, **Dharmpal P. Raman**, Pradip Rimal, Bhim Acharya, **Delali Bonuedi**, **Michael French**, **Kalpana Bhandari**

1:45 – 3:30 PM

Convention Center — Room 337/338 (Level 300)

SESSION 157: GLOBAL ELIMINATION OF TRACHOMA: REFOCUSING THE END GAME

Symposium Organizers: **Jeremiah Ngondi**, RTI International; Aryc W. Mosher, USAID

- From the Global Trachoma Mapping Project to Tropical Data: Refining methods for assessing elimination of trachoma – Anthony W. Solomon, WHO
- How much does it cost to survey trachoma: cost analysis from the Global Trachoma Mapping Project – Guillaume A.C. Trotignon, Sightsavers
- What is the cost of monitoring elimination of trachoma: projecting costs of trachoma impact and surveillance surveys – **Rachel D. Stelmach**, RTI International
- Methods for trachoma surveillance: lessons learned and possible future approaches – **Jeremiah Ngondi**, RTI International
